

Notification of Change: Provider Admin Page

escribeHOST has recently recertified with Surescripts. A number of changes to the escribeHOST Provider Admin page, implemented to meet the recertification requirements, are described in this document. These changes will be implemented early in September 2013.

Email Address Required

You must record an email address for any provider using eRx (Surescripts). You will be prompted to record an email address (if one is missing) the next time you edit the provider's account information.
